

Strafford County NH-ARES Net Training Script

Good evening and welcome to the Strafford County ARES Training Net. This is [your call sign], net control station of the Strafford County Amateur Radio Emergency Service Training Net for this evening. This net meets every Wednesday evening at 1930 Local (7:30 PM) and is open to all amateurs. [Un-Key]

The purpose of this net is to:

- Introduce people to ARES (Amateur Radio Emergency Service).
- Provide practice to ARES members.
- Validate different communications paths for use in times of emergency.
- Provide communications between ARES teams.

This is [your call sign], net control. [Un-Key]

Any amateur radio operator may check into this net. This is a directed net. Please follow the net protocol. Net control will now proceed with the call up for the ARES members first. I will call for Non-ARES members after the ARES check-in and traffic has been completed. ARES members please check in now with your Call sign phonetically, First name, and location. Please signify if you are Mobile, or Portable, or on Emergency or Commercial power. [Un-Key]

At this time, ARES Officers only, do you have any messages or announcements? If so please signify with your call sign now. [Un-Key]

ARES call up and traffic has been completed. Any other station wishing to check into the Strafford County ARES Training Net may do so now. Call Sign phonetically, First Name, and location please. This is [your call sign], net control. [Un-key]

Good evening everyone and thank you all for checking into the Strafford County Amateur Radio Emergency Service Net. All traffic and announcements have been completed, this net will now continue as an ARES training net. Tonight's training will be on: [state topic]

[Pass it around like a normal chat net at this time maintaining control between comments. Mobile, Portable and Emergency powered station go first. After every 5 or so comments, ask for further check-ins]

CLOSING SCRIPT

This is [your call sign], Net Control. Are there any final check-ins to tonight's Strafford County ARES training net? Your call sign, first name, and location please. [Un-Key]

Hearing nothing further, I will now close the training net. Any comments or suggestions are welcomed. Please email Jason, K1FDP at k1fdp @ metrocast.net. Strafford County ARES relinquishes its use of the repeater, and now returns the repeater to normal use with our thanks to the Saddleback Repeater Association. The Strafford County ARES training net is now closed at [time]. This is [your call sign] [un-key].

Please email Jason the net results as soon as possible.
